You must select one designated pick-up day that remains in effect during the length of the agreement. Choices are Tuesday – Saturday, 12pm-4pm. See the application for more details concerning vacations, etc. We encourage you to coordinate pick-ups with friends to help save time and gas.
7. **Produce Selection:** Our goal is to provide you with a selection of fresh, high quality produce that is equivalent to \$30 retail value per week. On most weeks the value of the crate will exceed the share value especially during the middle of the growing season. We package all CSA shares in the same size crate (1/2 bushel) and with the same quantity of produce for each customer. We understand that everyone has preferences, but at this time substitutions will not be allowed. The Practical Produce Cookbook provides excellent recipes for all produce provided in the CSA. If there is produce in your CSA share box that you do not like, you can leave it here and we will gladly donate it to the Food Pantry. Since we operate a farmer's market on our farm, we will have additional produce and products for sale. Additional products available in our Market include: Trickle Springs Creamery Milk, and Ice Cream, Roseda Beef, Papa Weaver's Pork, Local Honey, Graves Mountain Jams and Pickles, Shawnee Springs products and Country Canner products.
8. **If you would like additional produce for a special event** or for freezing or canning, please let us know and we will be happy to provide you with an estimated cost and availability.
